

Product datasheet

Fan MESKO, standing, dia. 40cm, 90W, black

A powerful 90W fan

Helps cool the room and provide more fresh air

Features a stable base, allowing it to be placed even on uneven surfaces without fear of tipping over

Thanks to the swivel head, a single unit can cover a larger area

Tilt adjustment allows for vertical adjustment of the airflow direction

The pedestal fan features a large 40 cm diameter fan blade, which increases the coverage area, and three speed settings let you choose the desired airflow intensity

Using the height adjustment on the stand, you can customize it to your individual needs

The fan is ideal for situations where airflow is needed in areas without furniture to place small devices

Diameter 40 cm / 16"

Horizontal oscillation 76° (38° left and 38° right)

Height adjustment 102–125 cm
