

Product datasheet

Desktop fan ESPERANZA Zephyr, 23cm, white-gray

The Esperanza ZEPHYR 9" desk fan is the perfect choice for you if you're looking for a compact, lightweight, yet powerful device that provides instant relief while you work or relax. Thanks to its elegant, versatile color scheme, the ZEPHYR easily fits into any interior—from an office to a teenager's room, to a bedroom or small living room

It generates a pleasant, even airflow that effectively improves thermal comfort while operating extremely quietly

You can use it while working at the computer, reading, or relaxing without being bothered by any annoying noises

The device offers two speed settings, allowing you to adjust the airflow strength to your preferences

It's a practical solution for smaller rooms where very strong air circulation isn't always necessary

The mesh blade guard—both front and rear—has passed the child finger test, meaning the device is completely safe for everyday use

You can use it in rooms where children and pets are present—without worrying about contact with the spinning blades

With a blade diameter of 23 cm, the ZEPHYR is the perfect companion for a desk, nightstand, or dresser the high-quality plastic used ensures the device's durability, damage resistance, and light weight

Power consumption: 30 W

Power supply: 220–240 V, 50 Hz

Electrical protection class: II

Color: white-gray
