Sticky notes POST-IT® Recycled Notes, 38x51 mm, 24x100 sheets, pastel mix

PEFC Certified Recycled eco-friendly sticky notes are the functionality of classic Post-it® notes combined with the highest standard of environmental care.

A product created in accordance with the idea of "zero waste". - entirely made from renewable raw materials, and after use, wszystkie elementy are recyclable and...produce new Post-it® ecological note pads.

The paper for the post-it notes and packaging was made from 100% segregated paper waste, including 30% from municipal waste - no trees were cut down.

They are the only ones to have paper bleached using the PCF method without the use of chlorine, which minimizes the formation of substances potentially harmful to the environment.

The glue for these cards is 60% made from plant-based raw materials that take 12 months to grow back - less use of petroleum derivatives unlike products from other brands.

Renew and deepen your connection with nature with the cards from the Natura collection. Feel the breath of freshness with the natural colors of spring.

Collection of 4 pastel colors of cards: Fresh Mint, Optimistic Pink, Canary Yellow, Gtanat.

Colorful Post-it® sticky notes are great for standing out and drawing attention to important information.

Cards with classic Post-it® glue are ideal when you stick them to paper - they stick firmly and peel off without a trace

Great for important documents, photos, newspapers, catalogs and other delicate paper surfaces.

Thicker 100% wood pulp paper, which is comfortable to write on with pen, pencil, thin pen, pen, among others.

Glue applied along the long side for even better adhesion of the card.

Size of 38 x 51 mm is ideal for leaving short information to remember
