

Product datasheet

Sticky notes POST-IT® Recycled Z-Notes, 76x76mm, 16x100 sheets, pastel mix

PEFC Certified Recycled eco-friendly sticky notes offer the functionality of classic Post-it® notes combined with the highest standard of environmental care.

Ideal for people who frequently use sticky notes.

Insert the accordion block into the Post-it® Z-Notes tray and pull out the first piece of paper, the next one will eject automatically.

Product created in accordance with the concept of "zero waste" - entirely made from renewable raw materials, and after use, wszystkie elementy are recyclable and...produce new Post-it® eco-friendly cards.

The paper for the post-it notes and packaging was made from 100% segregated paper waste, including 30% from municipal waste - no trees were cut down.

They are the only ones to have paper bleached using the PCF method without the use of chlorine, which minimizes the formation of substances potentially harmful to the environment.

The glue for these cards is 60% made from plant-based raw materials that take 12 months to grow back - less use of petroleum derivatives unlike products from other brands.

Renew and deepen your connection with nature with the cards from the Natura collection. Feel the breath of freshness with the natural colors of spring.

Collection of 4 pastel colors of cards: Fresh Mint, Navy Blue, Optimistic Pink, Canary Yellow.

Basic product parameters

PBS reference	3M-4054596926738
