

Product datasheet

Detectable plasters PLUM QuickFix Xray, refill, 45 pcs

Plasters with dressing, detectable by both metal detectors and X-ray scanning technology

For the Plum QuickFix wall dispenser

Especially recommended for use in the food industry – blue is not a natural color found in food products, making plasters in this color easily visible

Waterproof

Plasters can be removed from the dispenser in one easy motion quickly stop bleeding without staining other plasters

QuickFix plasters are designed to be easily applied to the wound with one hand

Width: 25 mm

Length: 72 mm

Quantity: 45 pcs
