

Product datasheet

Drink Aranciata Rossa SANPELLEGRINO, lightly sparkling, can, 0,33l

Let yourself be transported to a dreamy landscape where oranges are bathed in the sunset and their flesh is the colour of crushed velvet.

Sanpellegrino Aranciata Rossa is an all-natural celebration of the prince among oranges, the red orange.

This 100% natural, premium beverage is made from a unique blend of sun-ripened oranges and red oranges from Italy.

Each can captures the bright, intense aroma of oranges, which cuts through the fine bubbles in a pink drink that derives its colour from the natural juices of the original ingredients.

Sanpellegrino Aranciata Rossa is a medium-bodied orange drink with a delicate sweetness that lingers sip after sip, allowing you to fully savour the complex flavour of high-quality Italian oranges and blood oranges.

The refined, refreshing Sanpellegrino Aranciata Rossa is best served cold at 6-8°C, with a slice of orange or a sprig of rosemary if desired.

Available in easy-to-store, elegant cans.

Capacity: 0,33l
