

Product datasheet

Acne patches VISCOPLAST-3M, Ø 12 mm, 15 pcs, box

Thin, transparent and discreet hydrocolloid acne patches that absorb impurities from skin imperfections
Gentle and non-medicated, with a hypoallergenic, dermatologically tested adhesive suitable for various skin types
A red mini-tab enables hygienic removal from the backing and precise application

The hydrogel material works like a sponge, while the patch turning white indicates completion of action

Breathable and comfortable to wear, suitable for daytime and nighttime use, staying in place for up to 8 hours

Intended use: absorbing sebum and pus from acne-related imperfections and providing protective coverage

Dimensions: 15 x 12 mm

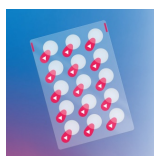

Quantity: 15 pcs

Packaging: hanging box

CE marked

Manufacturer: 3M Company, 2510 Conway Avenue, St. Paul, MN 55144 USA

Authorised representative: 3M Deutschland GmbH, Carl-Schurz-Str. 1, 41453 Neuss, Germany
