Tea ASTRA Safari, loose, 100g

Safari tea is an excellent variety of black tea

It is considered a hallmark of Kenya, as the highest quality tea leaves used in our product come directly from Kenyan plantations. Safari tea consists of finely broken, cut leaves and has long been valued for its remarkable taste and aroma, as well as its very distinctive red mahogany infusion color.

Its quality also comes from the fact that it is imported without intermediaries, straight from Kenya, making it fresher as it requires no additional storage.

Astra Safari 100 g is an intense Kenyan black tea for lovers of bold flavor and strong brews.

Perfect for mornings and afternoon tea moments.

The efficient packaging is ideal for everyday use at home or in the office.

Origin of the tea: Kenya
