

Product datasheet

Wet wipes for children GOWIPES, with aloe and chamomile, 50 pcs.

GOWIPES moist wipes set a new standard of cleanliness in personal hygiene and child care

GOWIPES Baby Cleanse&Protect is an exceptionally gentle wipe formula enriched with chamomile extract that effectively protects the skin from redness and irritation

Water-based baby wipes: the lotion used in GoWipes baby wipes contains 98% purified water and aloe water, making them ideal for caring for the sensitive skin of hands, face and bottom

Ultra-soft fiber: the gently embossed texture of the wipes holds more liquid

Aloe water is a hydrolate, also known as plant water, created through the distillation of plant material; it is very gentle and has a pH close to the skin's natural pH (4.7–5.6), making it safe for sensitive skin; hydrolates are widely used in natural care and mainly serve for cleansing

Enriched with chamomile extract

Gently and effectively cleans the child's delicate skin

Leaves the skin soft and healthy

Balanced pH

Free from dyes, parabens and alcohol

Tested under the supervision of dermatologists and pediatricians
