

Product datasheet

Air-dry clay JOVI, 250g, white

JOVI air-dry clay is the perfect material for creative projects – ready to use, hardens without baking, with a natural composition and smooth finish

Natural composition: the clay is made from natural ingredients, odourless and safe to use

Easy hardening: it air-dries within 24–48 hours, with no need for oven baking

If you want to keep the clay soft, store it in a tightly sealed package or container

Smooth finish: once dry, the surface is matte, smooth and pleasant to the touch

Decorative possibilities: it can be painted with watercolours, acrylics, felt-tips or markers

The finish can be sealed with varnish or left natural

Gluten-free and hypoallergenic: contains no major allergens

No smell: the product is odourless, making it more comfortable to work with

The product meets safety standards and is suitable for use by children under adult supervision

Thanks to excellent adhesion to wood, plastic, cardboard, glass or metal, this clay is perfect for DIY projects, sculptures, workshop and school work, and even elegant interior decorations

It is designed for both hobbyists and professional creators – ideal for making intricate jewellery, figurines, Christmas ornaments or designer furniture details

Perfect for modelling, creating figurines, decorations and art projects for both children and adults

Excellent for use in schools and preschools

A high-quality product – a great choice for creative people

Packaging: 250g
