Water CISOWIANKA, lightly carbonated, plastic bottle, 1l, deposit

Cisowianka Lightly Sparkling is an excellent choice for those who appreciate delicate yet distinctive sparkling water. Perfectly chilled, it brings refreshment even on the hottest days. Its mild taste and moderate mineralization make it ideal for everyday drinking, bottled directly at the source – in a modern plant that uses technologies to preserve its natural character. The age of this natural mineral water, i.e., the time it takes for a drop to reach the aquifers, is about 400 years – a unique phenomenon on a global scale.
