

## Product datasheet

### Nectar TYMBARK, blackcurrant, 0,2l

Blackcurrant nectar made from concentrated juice is a unique drink with an intense, natural flavour and the deep aroma of ripe fruit

Thanks to the use of high-quality concentrate, it retains its characteristic sweetness balanced by a slight tartness, which perfectly refreshes and stimulates the senses

The product is enriched with vitamin C, which supports the body's immune system, helps protect cells from oxidative stress and contributes to reducing feelings of tiredness

It is an excellent choice for those who care about a healthy lifestyle and a daily dose of energy

The nectar comes in an elegant 200 ml glass bottle, which not only preserves its flavour and freshness but is also environmentally friendly and fully recyclable

Its handy size makes it ideal for both at home and on the go

It offers natural enjoyment and functional support for the body in a single bottle

Capacity: 0,2l
