

Product datasheet

Foam soap DEB Clear Foam Pure, dispenser refill, 1l, fragrance-free

Gentle, fragrance-free foam soap designed for everyday hand washing, supplied in a closed cartridge intended for SC Johnson Professional dispensers

Suitable for use in washrooms in offices, educational facilities, public facilities, healthcare facilities and elderly care facilities

Fragrance-free and dye-free formula developed for sensitive skin and to reduce allergenic potential

Gentle formula containing glycerin helps protect the skin from drying out and leaves hands feeling soft and smooth

PH level of 4.0–6.5, close to the skin's natural pH, helps minimise disruption to the skin's natural acid mantle

Dermatologically tested; the conducted studies confirmed that the product does not cause irritation and has very low allergenic potential

Meets the criteria of the European Centre for Allergy Research Foundation ECARF as a product well tolerated by sensitive skin

Removes over 99% of dirt and germs; tests using one dose showed removal of 99.4% of visible dirt

Foam is ready for washing immediately after dispensing and rinses quickly and easily from hands and washbasins

One 0.7ml dose is sufficient for effective hand washing

The use of foam soap helps reduce water consumption by 45% compared with liquid soap

Product with EU Ecolabel certification confirming its reduced environmental impact

HACCP International certification confirms that the product is suitable for use in facilities operating a HACCP-based food safety programme; the product is not intended for direct contact with food

Suitable for use in food-processing facilities

Does not adversely affect the vulcanisation process and is compatible with rubber manufacturing processes

Compatible with dispensers: HG-021500, HG-021517, HG-095832, HG-021432, HG-021456, HG-021470, HG-005989, HG-134149, HG-134125

Capacity: 1 l

Fragrance: fragrance-free

Color: transparent
