

Product datasheet

Hand cleaner SWARFEGA Extreme, pump container, 5l

Specialist hand cleaner designed to remove very heavy, dried-on and stubborn soiling, supplied in a pump container for easy dispensing

Suitable for professionals whose hands are exposed to heavy and stubborn contamination

Effectively removes oils, lubricants, tar, inks, bitumen, many adhesives and most oil-based paints

Solvent-free formula combines non-abrasive cleaning agents with surfactants to provide deep cleansing action

Versatile heavy-duty formula provides effective cleaning of various types of stubborn soiling

Dermatologically tested; independent testing confirmed that the product does not cause irritation during use

Suitable for regular everyday use

Silicone-free formula helps minimise silicone compatibility issues on surfaces before applying paint or surface coatings

Leaves hands feeling clean and freshly scented

Directions for use: apply the product to dry hands and rub vigorously to loosen the soiling from the skin, then rinse thoroughly with water

Intended for use on the hands and wrists by persons aged 16 and over

Capacity: 5l

Fragrance: orange
