Notebook MOLESKINE 2026 Sakura, L, 13x21cm, plain

Moleskine Sakura notebook, Large, plain, hard fabric cover
Inspiration, like a cherry blossom, appears suddenly: all at once, intensely, and then disappears in the blink of an eye
In Japan, this beautiful impermanence is celebrated through Sakura: a brief bloom that reminds us to stop, feel and remember the moment

This collection is a tribute to that urgency

With pen and paper in hand, even the quickest spark of genius can be captured forever

A quiet space where fleeting thoughts can take root

The cover features cherry blossom printing and gold embossing inspired by the traditional Japanese gyotaku technique of transferring real natural elements onto paper with ink

Includes a greeting card, a set of themed stickers and a bookmark

Large, plain hard cover notebook

Fabric cover with Sakura motif

Rounded corners, elastic closure and matching ribbon bookmarks

Greeting card, stickers and bookmark

Ivory-colored, 100 g/m², acid-free paper: plain

"In Case of Loss" printed on the title page

Colorful expandable inner pocket on the back

Lies flat, opens to 180°

The paper in this Moleskine notebook is made from materials sourced from well-managed, FSC-certified forests and other controlled sources
