Set of 2 notebooks MOLESKINE Cahier NASA, L, plain

Discover a collection inspired by the spirit of exploration and awe at our ventures into space

Driven by wonder, the NASA-inspired limited-edition collection reminds us that even the greatest leaps begin with the smallest idea written on a piece of paper

In your ordinary and extraordinary adventures on Earth, reaching for a pen is the best way to discover the limitless potential of human imagination

The NASA-inspired limited-edition collection celebrates the heights of human potential, reminding us that our greatest resource has always been the boundless capacity of human genius

There are no limits to what we can achieve

These beautiful journals are your space to explore the infinite wonder of your imagination, discovering inspiration every time you reach for a pen

A tribute to thinkers, doodlers and explorers of all time

Set of 2 Large Cahier Journals inspired by NASA

Plain layout

Rounded corners

Ivory-colored, 100 g/m², acid-free paper

Visible Singer stitching on the spine

Flap with space for loose notes

Last 16 sheets are detachable

The paper in this Moleskine notebook is made from materials sourced from well-managed, FSC-certified forests and other controlled sources
