Ballpoint pen CARAN D'ACHE 849 XMAS26 Toile De Jouy, in a box, white

Caran d'Ache 849 XMAS26 TOILE DE JOUY ballpoint pen, white.
For the festive season, Caran d'Ache presents Toile de Jouy – Geneva Edition: an exclusive collection that reinterprets the art of creating illustrated narrative scenes.
Born from a dialogue between French tradition and Swiss identity, this edition transforms Geneva – the birthplace of Caran d'Ache – into a poetic motif drawn with a delicate line. The lake, gardens, historic architecture and elements of nature intertwine in a subtle composition, reminiscent of an illustrated walk through the heart of the city.
Through this motif, Geneva is revealed in intricately drawn scenes inspired by the "Toile de Jouy" style. This pattern is more than just an illustration – it expresses the identity of Caran d'Ache: precision of line, mastery of drawing, intensity of colour and the emotions associated with writing.
Created in the Caran d'Ache workshops, the products showcase the brand's rich craftsmanship: from expertise in colour to the most demanding finishing techniques – from guilloché and lacquering to the precise assembly of each writing instrument.
The Toile de Jouy – Geneva Edition collection, presented in ivory-coloured gift boxes with burgundy or blue accents, pays tribute to the timeless elegance of Caran d'Ache – combining heritage with contemporary design.
The ballpoint pen features a hexagonal aluminium body – lightweight and durable. The graphic on the body is inspired by the "Toile de Jouy" motif designed by Suzanne Pinon, depicting iconic landmarks of Geneva, such as the Jet d'Eau fountain. The clip and push button are nickel-plated.
The ballpoint pen is fitted with a black Goliath medium refill. It allows for writing up to 600 A4 pages.
It is presented in a high-quality cardboard box with a blue and beige "Toile de Jouy" pattern, featuring a sliding design and a sleeve decorated with graphic elements from the collection.
