Set CARAN D'ACHE XMAS26 Toile De Jouy, ballpoint pen 849 + pencil 844

Caran d'Ache XMAS26 TOILE DE JOUY gift set: ballpoint pen + mechanical pencil.
For the festive season, Caran d'Ache presents Toile de Jouy – Geneva Edition: an exclusive collection that reinterprets the art of creating illustrated narrative scenes.
Born from a dialogue between French tradition and Swiss identity, this edition transforms Geneva – the birthplace of Caran d'Ache – into a poetic motif drawn with a delicate line. The lake, gardens, historic architecture and elements of nature intertwine in a subtle composition, reminiscent of an illustrated walk through the heart of the city.
Through this motif, Geneva is revealed in intricately drawn scenes inspired by the "Toile de Jouy" style. This pattern is more than just an illustration – it expresses the identity of Caran d'Ache: precision of line, mastery of drawing, intensity of colour and the emotions associated with writing.
Created in the Caran d'Ache workshops, the products showcase the brand's rich craftsmanship: from expertise in colour to the most demanding finishing techniques – from guilloché and lacquering to the precise assembly of each writing instrument.
The Toile de Jouy – Geneva Edition collection, presented in ivory-coloured gift boxes with burgundy or blue accents, pays tribute to the timeless elegance of Caran d'Ache – combining heritage with contemporary design.
The set consists of two writing instruments: an 849 ballpoint pen and a 0.5 mm mechanical pencil.
Both the ballpoint pen and the mechanical pencil feature a hexagonal aluminium body – lightweight and durable. The design is inspired by the "Toile de Jouy" motif created by Suzanne Pinon, depicting iconic Geneva landmarks such as the Jet d'Eau fountain. The ballpoint pen features a cream-coloured lacquered body with a precise blue print, while the mechanical pencil stands out with a "vintage blue" lacquered body with a precise cream-coloured print.
The ballpoint pen is fitted with a black Caran d'Ache Goliath M refill, allowing for writing up to 600 A4 pages. The mechanical pencil uses 0.5 mm HB lead.
The set is presented in an elegant cardboard box with a blue and beige "Toile de Jouy" motif; sliding design, with an additional sleeve matching the style of the entire collection.
