Product datasheet

Watercolour pencils CARAN D'ACHE XMAS26 Toile De Jouy, in a box, 10 pcs., assorted colors

Caran d'Ache XMAS26 TOILE DE JOUY watercolour pencils – 10 colours.
For the festive season, Caran d'Ache presents Toile de Jouy – Geneva Edition: an exclusive collection that reinterprets the art of creating illustrated narrative scenes.
Born from a dialogue between French tradition and Swiss identity, this edition transforms Geneva – the birthplace of Caran d'Ache – into a poetic motif drawn with a delicate line. The lake, gardens, historic architecture and elements of nature intertwine in a subtle composition, reminiscent of an illustrated walk through the heart of the city.
Through this motif, Geneva is revealed in intricately drawn scenes inspired by the "Toile de Jouy" style. This pattern is more than just an illustration – it expresses the identity of Caran d'Ache: precision of line, mastery of drawing, intensity of colour and the emotions associated with writing.
Created in the Caran d'Ache workshops, the products showcase the brand's rich craftsmanship: from expertise in colour to the most demanding finishing techniques – from guilloché and lacquering to the precise assembly of each writing instrument.
A set of 10 exclusive, water-soluble coloured pencils – 7 pastel and 3 metallic colours. The pencils are made of cedar wood and FSC-certified. They feature excellent Supracolor Aquarelle lead, soft and water-soluble, Ø 3.8 mm. The pencil body has a natural wood finish with a short coloured end cap matching the lead colour. The barrel features white markings: brush symbol + Caran d'Ache inscription + Swiss Made + FSC.
The pencils are presented in a high-quality cardboard box with a burgundy and beige "Toile de Jouy" pattern, with a sliding opening.

Basic product parameters
