Product datasheet

Scented pencils CARAN D'ACHE XMAS26 Les Crayons De La Maison, in a box, 3 pcs.

Set of scented pencils by the Swiss brand Caran d'Ache XMAS26 TOILE DE JOUY.
For the festive season, Caran d'Ache presents Toile de Jouy – Geneva Edition: an exclusive collection that reinterprets the art of creating illustrated narrative scenes.
Born from a dialogue between French tradition and Swiss identity, this edition transforms Geneva – the birthplace of Caran d'Ache – into a poetic motif drawn with a delicate line. The lake, gardens, historic architecture and elements of nature intertwine in a subtle composition, reminiscent of an illustrated walk through the heart of the city.
Through this motif, Geneva is revealed in intricately drawn scenes inspired by the "Toile de Jouy" style. This pattern is more than just an illustration – it expresses the identity of Caran d'Ache: precision of line, mastery of drawing, intensity of colour and the emotions associated with writing.
Created in the Caran d'Ache workshops, the products showcase the brand's rich craftsmanship: from expertise in colour to the most demanding finishing techniques – from guilloché and lacquering to the precise assembly of each writing instrument.
The Toile de Jouy – Geneva Edition collection, presented in ivory-coloured gift boxes with burgundy or blue accents, pays tribute to the timeless elegance of Caran d'Ache – combining heritage with contemporary design.
The pencils are made from high-quality poplar wood, selected according to the most rigorous standards. "Bois d'Or" fragrance: a warm, woody accord combining notes of cedarwood, sandalwood and patchouli, enriched with the spicy aroma of cloves and a delicate hint of incense – fragrance family: woody. Three pencil colours: blue, honey and caramel – with a tiger-stripe motif. The pencils feature silver markings applied using hot stamping: Caran d'Ache – Swiss Made. The graphite is made exclusively from 100% natural ingredients.
The pencils are presented in a high-quality cardboard box decorated with a blue and beige "Toile de Jouy" pattern, with a window in the shape of the collection's isotype, through which the scented pencils can be seen.
