Notebook CARAN D'ACHE XMAS26 Toile De Jou, A5, ruled, 120 pages

A5 lined notebook by the Swiss brand Caran d'Ache XMAS26 TOILE DE JOUY.
For the festive season, Caran d'Ache presents Toile de Jouy – Geneva Edition: an exclusive collection that reinterprets the art of creating illustrated narrative scenes.
Born from a dialogue between French tradition and Swiss identity, this edition transforms Geneva – the birthplace of Caran d'Ache – into a poetic motif drawn with a delicate line. The lake, gardens, historic architecture and elements of nature intertwine in a subtle composition, reminiscent of an illustrated walk through the heart of the city.
Through this motif, Geneva is revealed in intricately drawn scenes inspired by the "Toile de Jouy" style. This pattern is more than just an illustration – it expresses the identity of Caran d'Ache: precision of line, mastery of drawing, intensity of colour and the emotions associated with writing.
Created in the Caran d'Ache workshops, the products showcase the brand's rich craftsmanship: from expertise in colour to the most demanding finishing techniques – from guilloché and lacquering to the precise assembly of each writing instrument.
The Toile de Jouy – Geneva Edition collection, presented in ivory-coloured gift boxes with burgundy or blue accents, pays tribute to the timeless elegance of Caran d'Ache – combining heritage with contemporary design.
Notebook format: A5 (14.8 x 21 cm). It features 120 pages of white lined FSC-certified paper, 90 g/m^2, acid-free. Hard cover (300 g/m^2) with a blue and beige "Toile de Jouy" pattern. Caran d'Ache logo printed on the front cover. Sewn binding allows the notebook to open flat at 180°.
